

## Pre-Summit events and Webinars

### ATTEND FOR FREE

You do NOT need to register for the NC BikeWalk Summit in order to attend these pre-Summit events

**THURSDAY, OCTOBER 28 6:30 pm–7:45 pm REGISTER HERE**

#### Updates from the League of American Bicyclists

**Bill Nesper**, Executive Director of the League of American Bicyclists (bikeleague.org), will talk about the League's work on the national level to improve bicycling for all. Bill is a wealth of knowledge on current and possible future legislation that could affect all of us on a state or local level.

#### NC Bicycle Safety Quiz

After Bill's talk, **Heidi Perov Perry**, board member of BikeWalk NC, will unveil BikeWalk NC's new Bicycle Safety Quiz, an online tool that can be used by bicycle clubs, schools, driver's education classes, and more to educate on North Carolina's laws that pertain to bicycles as well as best practices for motorists and bicyclists who share the road.

**MONDAY, NOVEMBER 1, 1:00–1:45 pm and 3:00–4:00 pm**

**REGISTER HERE FOR EITHER OR BOTH SESSIONS** (Same link will be used for both)

1:00–1:45 pm **If you build the infrastructure, will the children be able to use it?**

Since 2015, every child in DC's public schools has been empowered with the skill to ride a bike. Today, its educational program expands to include a Traffic Garden on school properties where students learn "Drivers Ed" contents in elementary classrooms. **Miriam Kenyon**, Director of Health and Physical Education in Washington, DC's public school system, will share her story of how this initiative began and grew. (Note: This uses the same registration link as the 3:00 webinar below.)

3:00–4:00 pm **Vision Zero: What's being done to get us there?**

What is being done in the area of automated cars to make it safer for those traveling outside of them? What is happening on the state level? What initiatives from FHWA are the most effective, low-cost ways to make our streets safer? (Note: This uses the same registration link as the 1:00 webinar above.)

**Jessica Cicchino**, Vice President, Insurance Institute for Highway Safety (IIHS)

**Mark Ezzell**, Director, NC Governor's Highway Safety Program (GHSP)

**Tamara Redmon**, Pedestrian & Bicycle Safety Program Manager Federal Highway Administration (FHWA)

**Becky Naumann** (moderator), Asst. Professor, Dept. of Epidemiology at the University of North Carolina at Chapel Hill (UNC) and Core Faculty at UNC's Injury Prevention Research Center
